VISITOR'S PACK

A Voice for Local Business

Welcome to the Peacehaven & District Chamber of Commerce

Dear Visitor,

Congratulations on making the first bold move of visiting our member networking group. I know only too well how daunting your first meeting can be, but I hope we all made you feel very welcome.

I have been involved with the Peacehaven & District Chamber of Commerce since I started my company, Clean Cut Gardening in 2006. The Chamber has been an absolute integral part of nurturing and growing my business.

From starting out as being a one-man band in my old Ford Escort Car to expanding to a Multi Van Business, employing staff locally and turning my business into a National Franchise the Chamber and its members have been a huge source of help and support.

As well as the support and camaraderie that the Chamber brings, I have been passed many business leads that have come directly from association with other members of the Chamber. More than ever, I value the relationships that Chamber membership has provided.

I'm still very much on my journey and look forward to welcoming you into the Chamber and learning more about you and your business.

Yours sincerely

Simon Studd

Seahaven Business Awards

The Seahaven Business awards is a business awards evening jointly run with the Newhaven and Seaford District Chambers of Commerce. The awards evening is an annual event that has been running since 2003 and features an awards ceremony and dinner attended by local business owners, local dignitaries such as mayors of the local towns, the Vietnamese Ambassador to the UK, who has a connection to Newhaven and the Deputy Lord Lieutenant of East Sussex. The awards are centred around seven awards categories from 'business person of the year' through to 'best eatery'. The Chamber encourages its members to apply for the awards, and we have had many successful winning members through the years. Being an award winner provides a major boost to promoting your business. Winners are interviewed on local radio and featured in the local press and can also promote their win by the use of winner's banners on any advertising they do.
